## JEFF TEDFORD

Head Coach • 9th Season at Cal

Jeff Tedford has established Cal as one of the elite football programs in the Pac-10 and lifted the Golden Bears into the national discussion on a consistent basis during his tenure as the school's head coach. The Bears have won the second-most games of any Pac-10 school other during his first eight seasons on the job, have finished among the nation's top 25 in four of the last six seasons and been ranked in the nation's top 10 at some point in five of the last six campaigns.

Cal also has a current school-record run of seven straight bowl appearances and is 5-2 in the postseason under Tedford, making him the first Cal mentor with more than two bowl victories. He is one of only eight current Football Bowl Subdivision coaches to have a current string of at least eight consecutive winning seasons, with only six accomplishing the feat at the same school.

In addition, Tedford is tied for Cal's modern-era record for victories with a 67-35 (.657) all-time mark at the school. He will begin the 2010 season tied with the legendary Pappy Waldorf (67-32-4, 1947-56) as Cal's modern-era victory leader and is also tied for third with Waldorf on the all-time win list behind Andy Smith (74-16-7, 1916-25)

and James Schaeffer (73-16-8, 1909-15), with the majority of Schaeffer's victories coming when Cal played rugby rather than football. Only two other head football coaches in Cal history have coached 100 games, with Waldorf (103) and Stub Allison (102, 1935-44) the others. Tedford has already set the school record with 23 road wins and is also an impressive 41-27 (.603) against Pac-10 teams, finishing lower than fifth only once. To top it off, he is 7-1 in the Big Game, equaling Waldorf's school record of seven wins against Stanford.

All of this at the head of a program that won just one game in 2001, the year prior to his arrival. The Cal football renaissance rates as one of the most impressive turnarounds in college football history.

Not only have Tedford's teams got it done on the field, they've also got it done in the classroom. His players have been recognized as Pac-10 All-Academic honorees 83 times since his arrival. Of the 163 seniors who have played for Tedford in his first eight seasons, 144 (88%) have earned their college degrees and/or gone on to NFL careers.

Tedford's success with the Cal program has resulted in local devotion and national attention. Cal drew an average of 59,472 fans in 2009. The Bears played in front of a sellout home crowd of 71,799 vs. USC on Oct. 3, 2009, and have played in front of at least 50,000 fans at Memorial Stadium for 37 games in a row. In 2006, the Bears

*"This is a dream come true ... I am here to provide leadership, to create an environment for these athletes, both athletically and academically, that they can flourish in ... our team will be disciplined, our team will play hard, our team will play fast, they will have a lot of fun, but they will do it with class ... it will be something that you can always be proud of as Cal boosters, alumni and supporters. I have a goal and a vision that the University of California, through hard work and dedication, can get to where we are competing for the Pac-10 championship and at a national level. I am going to put together a staff that is going to care for the young men both on and off the field, that are great teachers, interested in their academics, interested in these kids in how they grow up, and that we can make an impression on their character that will last further than just the University of California ... again, I want to let you all know just how excited I am to be here, and how much of a great opportunity I believe that this is, that we can get this turned around and headed in the right direction."*

— Jeff Tedford opening statement  
 introductory press conference  
 December 12, 2001

**88% percent of the seniors to play for Tedford have earned their degrees and/or gone on to NFL careers.**

Despite his success and notoriety, Tedford remains devoted to being a mentor.

"Football is more than a game," he said. "I think it teaches so many values for young people as they move on into life — teamwork, sacrifice, dedication, hard work — all those things are very valuable to their futures. I'm going to be a person that they can trust and talk to while they're here. But I really hope that when they leave, they understand that they can come back and ask me for anything and count on me in any situation."

His legendary work ethic, exemplified by the well-used air mattress in his office, shows the coach's drive, which is not geared towards individual success. His true goals are success as a team and success for his student-athletes.

"Jeff is the hardest worker I have ever encountered in this business," said Cal Director of Athletics Sandy Barbour. "He is not going to be outworked, because he believes he owes that to his student-athletes."

That relentless drive developed in Tedford as a young football player at Warren High School. After a solid prep career, the undersized quarterback went on to a standout two-year stint at Cerritos College and a record-setting two-year stay at Fresno State. During his days as a Bulldog, he established several school passing records, including career marks for passing yardage (4,872) and touchdown passes (35), while earning honorable mention All-America notice in 1982 when he set single-season Fresno State standards for passing yardage (2,993) and TD passes (24).

set school records for average fans per home game (64,318) and overall spectators (450,223). The following year in 2007, Cal set a record with 41,366 season-ticket holders.

Nationally, the Golden Bears have also had multiple Heisman Trophy candidates under Tedford's tutelage, with J.J. Arrington (2004), Marshawn Lynch (2006), DeSean Jackson (2007) and Jahvid Best (2009) among top candidates at some point in the season, and Arrington finishing eighth in the final voting.

Other national recognition has come the Bears way in recent years. Alex Mack was the winner of the 2008 Draddy Award (often referred to as the Academic Heisman and now known as the William V. Campbell Trophy). In 2006, the Bears had a pair of players collect prestigious national awards. Jackson was the recipient of the inaugural Randy Moss Award as the top return man in the country, while Daymeion Hughes earned The Lott Trophy, given to a defensive player to equally recognize his athletic performance and personal character.

**"Jeff is the hardest worker I have ever encountered in this business. He is not going to be outworked, because he believes he owes that to his student-athletes."**

*- Cal Director of Athletics Sandy Barbour*

After receiving a bachelor's degree in physical education from Fresno State in 1983, Tedford played pro football in the Canadian Football League for six seasons with Hamilton, Calgary, Saskatchewan and Winnipeg. He completed 54 percent of his passes during his career, appearing in the league's championship game (Grey Cup) with Hamilton in 1984.

Tedford has used his own signal-calling experience to build a reputation as a quarterbacks guru. During his 18-year collegiate coaching career at California (2002-present), Oregon (1998-2001) and Fresno State (1992-97), Tedford has been integral in the development of six quarterbacks that became first-round picks in the NFL Draft, including Trent Dilfer, Akili Smith, Joey Harrington, David Carr, Kyle Boller and Aaron Rodgers. In 2004, Rodgers, an under-the-radar junior college transfer like Tedford, ranked No. 8 nationally in pass efficiency, completing 66.1 percent of his passes for 2,566 yards and 24 touchdowns with only eight interceptions. He put up similar numbers the previous season when he completed 61.6 percent of his passes for 2,903 yards and 19 touchdowns with only five interceptions.

In addition to his success with quarterbacks, Tedford's teams have featured balanced attacks and become notorious for their ferocity on the ground. In his first eight years at Cal, Tedford's running backs have posted 1,000-yard rushing seasons eight times, including a string of seven consecutive years with a 1,000-yard rusher from 2002-08. In 2004, Arrington broke Chuck Muncie's single-season school record with 2,018 yards, which ranked No. 1 in the NCAA. In 2007, Justin Forsett's 1,546 rushing yards were briefly the second-best in Cal history, but Best's four-game flourish (814 yards) at the end of 2008 gave him 1,580 for the year to move past Forsett. Lynch had back-to-back 1,000-yard seasons in 2005 and 2006, while Adimchinobe Echemandu (1,195 yards in 2003) and Joe Igber (1,075 yards in 2002) have also reached the mark under Tedford.

While offense has been Tedford's forte, California's defense has toughened considerably during his reign as well, allowing an average of just 22.5 points per game during his eight seasons, second-best in the Pac-10 over that period. In 2004, Cal ranked eighth nationally in scoring defense, allowing just 16.0 points per game, while in 2005 the Bears led the Pac-10 in scoring defense, allowing only 21.2 points per game. In 2008, Cal led the Pac-10 in the two key categories of red zone defense (68.2%) and takeaways (34). In 2009, the Bears were second in the conference in rush defense (112.0 ypg).

Tedford's combination of precision passing and relentless rushing, as well as his pairing of potent offense and relentless defense, has led to eight straight winning seasons. The Bears posted a school-record-tying 10 wins for the sixth and seventh times in school history in 2004 and 2006.

Prior to his arrival in Berkeley, Tedford was a highly-regarded offensive coordinator and quarterbacks coach at Oregon, serving in that role for four seasons, including the 2001 campaign when the Ducks earned a No. 2 final national ranking.

**Jeff Tedford with his wife, Donna, and sons, Taylor (left) and Quinn.**

Tedford played an integral role in the rise of the Oregon program during his tenure in Eugene – a period in which the Ducks posted the Pac-10's best record (38-10) while finishing progressively better each year (8-4 in '98, 9-3 in '99, 10-2 in '00 and 11-1 in '01). During his first season as offensive coordinator in 1998, the Ducks set school records in passing yards, total offense and points scored. Tedford's passing acumen was clearly evident in the rapid development of Smith, who earned Pac-10 Offensive Player of the Year accolades as he finished second in the nation in pass efficiency and was later chosen third overall in the 1999 NFL Draft by Cincinnati.

***Along with the expectations, which we embrace, it's really important to always stay hungry. I don't think we've attained our full potential yet. It's something we always strive to do. We never want to be satisfied with where we've been. We always want to look forward to where we're going.***

***Cal head coach Jeff Tedford***

Duck quarterbacks A.J. Feeley and Harrington combined to pass for 3,131 yards and 24 TDs on the Sun Bowl champion team that ranked 13th nationally in scoring in 1999, while the 2000 club tied for the Pac-10 crown and defeated Texas in the Holiday Bowl. Tedford's last Oregon squad finished No. 2 in the nation and showcased one of the nation's premier quarterbacks in Harrington, who won Pac-10 Offensive Player of the Year honors and finished fourth in Heisman balloting.

In 1992 as the quarterbacks coach at Fresno State, Tedford began honing the skills of Dilfer, who quarterbacked Baltimore to a victory in Super Bowl XXXV. Under Tedford's guidance, the Bulldogs' quarterback earned first-team All-WAC honors for an offense that led the nation in scoring (44.2

points per game), ranked second nationally in total offense (541.9 yards per game) and beat USC in the Freedom Bowl. A season later, Tedford became the Bulldogs' offensive coordinator, and Fresno State ranked third nationally in scoring and total offense while earning an Aloha Bowl invitation. Dilfer ranked first nationally in passing efficiency (173.1 rating) and won the WAC Offensive Player of the Year award. He was later chosen by Tampa Bay with the sixth overall selection of the 1994 NFL Draft.

"I believe Jeff's one of the finest minds in all of football," said Dilfer, who currently serves as a football analyst for ESPN after a 14-year playing career in the NFL from 1994-2007. "He's certainly the finest coach I've ever been around. He's a great leader and great teacher. He has very high expectations for himself and the people around him. And he will work tirelessly to meet those expectations. Jeff taught me more about toughness and the game of football than any coach I've ever played for, and I've had some awfully good coaches."

Tedford's coaching career began as a volunteer assistant at Fresno State in 1987, as he spent two years there before joining Calgary of the CFL in 1989 for three seasons, including the 1991 team that advanced to the Grey Cup title game.

Despite his success as a coach and mentor, Tedford still follows a basic philosophy.

"We try to focus on one game at a time and try to reach our full potential," he said emphatically.

And he still values each and every member of his football team.

"Whether it is the guys who are suited up, the guys who are going to play 50-60 plays or the guys who aren't going to play at all, I want them all to understand that they are very important to the success of the program," he said. "Their contributions are invaluable."

Tedford's hard work and dedication not only inspire his players, it has also made him a role model to the young men in the Cal program.

"Coach Tedford wasn't just a coach, I think of him as more like a father figure," said All-Pac-10 linebacker and current Green Bay Packer Desmond Bishop. "He taught us lessons about life. He taught us to have integrity, to have character. He prepared us to be men."
