# GOLDEN BEAR CONTRIBUTORS

## CAL GOLF COMMITTEE

The University of California's intercollegiate golf tradition dates back to 1912. Over the years, the Cal Golf team has competed in many of collegiate golf's finest tournaments, including the Pac-10 and NCAA Championships, and in 2004, winning the NCAA Championship. In January of 1980, a group of golf supporters formed The Friends of Cal Golf to raise the funds to support the golf program at Cal.

Operating costs have been covered by the annual Cal Golf Tournament, satellite tournaments in Sacramento, Marin, Palm Springs, Santa Rosa, Fresno, Los Angeles and Seattle, from annual donations and from the Cal Golf endowments. The Cal-Stanford rivalry, perhaps the finest rivalry in intercollegiate athletics, has spawned a series of popular and competitive events, especially the Big Game Cup, which will be played for the 15th time this November.

On September 16, 2003, the Cal Golf Committee announced a five-year, \$8 million endowment campaign with the goal of funding Men's Golf in perpetuity. Endowment funds, both active and pledged, stand at approximately \$3 million. The Cal Golf team has an endowed grant-in-aid funded by the Sacramento Valley Group for deserving Sacramento Valley golfers choosing to attend Cal. Eight partially-endowed grant-in-aids are continuing to accept funds: the Edward and Mollie Arnold Golf Grant-in-Aid, the Edward M. Burnham Family Memorial Endowment Golf Grant-in-Aid, the Edward and Lynn Little Men's Golf Scholarship, the Marin County Golf Grant-in-Aid, the William V. Power Golf Endowed Scholarship, the Sacramento Valley Golf Grant-in-Aid Fund, and the Robert G. Tuck Memorial Golf Grant-in-Aid. NCAA rules permit up to 4.5 golf scholarships for the men's programs and the Cal Golf Committee has concluded that the completion of the endowment campaign is essential to both the program's ongoing success and assuring Men's Golf in perpetuity.

The Pac-10 Conference is the equal of any conference in the nation and in the sport of golf, as it has produced many of the premier PGA Tour professionals. The purpose of the Cal Golf program is not only to provide a competitive atmosphere for young men who desire a place in the world of professional golf, but also to make available to them the considerable educational opportunities of the University of California.
