

2005 SEASON IN REVIEW

Andrew Jacobson earned first-team All-Pac-10 honors in 2005.

CAL MAKES POSTSEASON HISTORY

The 2005 season featured California's best postseason campaign in school history and Cal's best winning percentage (.738, 14-4-3 record) since 1985 (.750, 16-5-1). The Bears reached the quarterfinal round of the NCAA Tournament, surpassing the 2002 Kevin Grimes-led squad that reached the tournament's sweet 16. Cal played another slate of nationally ranked teams, beating fourth-ranked UC Santa Barbara, 2-0, seventh-ranked Santa Clara, 1-0, and 16th-ranked San Diego State, 2-1.

BEARS RECORD FIFTH CONSECUTIVE NCAA BID

The Bears played in their program-record fifth-consecutive NCAA tournament last season. In 2004, Cal advanced to the second round of the tourney, before falling to SMU, 1-0 (13-4-3). In 2001, head coach Kevin Grimes' second year, the Bears reached the first-round of the tournament for the first time in four years. In 2002, Cal made an impressive run to the sweet 16 and finished 14-6-2. In 2003, the Bears reached the second round, before being defeated by UCSB, 2-0.

BEARS NAMED ALL-AMERICANS, CARR THE PAC-10 PLAYER OF THE YEAR

California's Calen Carr and Tyson Wahl were named to *Soccer Times*' 2005 College Coaches Men's All-America team, as well as *College Soccer News*' All-America team. Carr, who also earned 2005 Pac-10 Player of the Year honors, was named to *College Soccer News*' first team and *Soccer Times*' second team. The Berkeley native finished his senior season leading the Pac-10 in seven categories: shots (91), shots per game (4.33), points (30), points per game (1.43), goals (13), goals per game (0.62) and game-winning goals (6). Wahl, a native of Newport Beach, Calif., was named a second-team All American by *Soccer Times* and *College Soccer News*. The senior defender was chosen to *ESPN The Magazine's* Academic All-District VIII men's soccer team for his outstanding academic achievement and athletic skill and earned Pac-10 All-Academic first-team honors. Wahl started every game of his career for Cal, and finished the 2005 season second on the team in goals (5).

KEVIN GRIMES NAMED 2005 PAC-10 COACH OF THE YEAR

In his sixth year at Cal, Coach Kevin Grimes led the Bears to their deepest postseason in program history, the NCAA Tournament elite eight, and earned the 2005 Pac-10 Coach of the Year award. Cal's bid into the postseason set a program record of five consecutive NCAA Tournament appearances and marked the first time the Bears have gone into the playoffs seeded since 2002, when they earned a No. 14 seed. Cal finished the season ranked nationally in several categories. They were second in shots on goals save percentage (0.874), eighth in team goals-against average (0.63) and ninth in won-lost-tied percentage (0.738). Grimes boasts an overall record of 68-45-12 at Cal, and is only one of four Cal men's soccer coaches to reach 50 wins at Berkeley.

BEARS PLACE EIGHT PLAYERS ON THE ALL-PAC-10 TEAM

Eight Cal players earned All-Pac-10 honors for 2005, matching a school record of three making the first team. First-team honorees included seniors Carr (13 goals,

Steve Purdy was named to the All-Pac-10 second team in 2005.

4 assists, 91 shots) and Tyson Wahl (5 goals, 1 assist, 27 shots) as well as sophomore Andrew Jacobson (4 goals, 7 assists, 36 shots). Senior Eric Kronberg and junior Steve Purdy were named to the All-Pac-10 second team, while senior Pieter Berger, junior Eric Ebert, and sophomore Luke Sassano earned All-Pac-10 honorable mention. Carr and Wahl are three-time All-Pac-10 honorees, while Kronberg and Purdy are two-time selections.

FIVE PLAYERS EARN PAC-10 ALL-ACADEMIC HONORS

Five members of the California men's soccer team earned Pac-10 All-Academic honors for the 2005 season. Pieter Berger, Calen Carr, Tyson Wahl and Andrew Felder were named to the Pac-10 All-Academic first team, while Matt Holtrust was named to the All-Academic second team. For Berger it marked his third first-team honor in as many years, while Carr received his second consecutive first-team All-Academic honor. Wahl and Felder's first-team honor marked the first of their careers, while Holtrust's second-team accolade was the first of his career, after earning honorable mention All-Academic recognition in 2004.

PACIFIC-10 CONFERENCE STANDINGS

The Pac-10 men's soccer conference, coming off of its sixth year of existence, once again exhibited the sort of dominance it is becoming widely known for.

Pac-10 teams California, UCLA, Oregon State, Washington and Stanford amassed a 32-13-8 (.679) record against non-conference Division 1 teams in the process

of sending three teams to the NCAA tournament. The UCLA Bruins captured their fourth straight Pac-10 title in 2005 and earned a first-round bye and the No. 5 seed before falling to SMU, 3-0, in the second round.

California finished second in the Pac-10 and made its first third-round appearance in program history. The Bears

were edged, 1-0, in overtime by New Mexico. San Diego State earned an NCAA tournament bid, but fell in the first round to UC Santa Barbara, 2-0. Next season's action looks to remain top-notch, with three Pac-10 teams finishing in the top 25 national rankings according to *Soccer America* (UCLA-8th, **California-11th**, and San Diego State-22nd).

TOP 10 REASONS TO ATTEND CAL

1. WORLD-CLASS FACULTY

Even as a first-year student, you may find yourself in a classroom with one of Cal's seven Nobel Laureates, 128 members of the National Academy of Sciences, 16 MacArthur Fellows, 83 Fulbright Scholars, three Pulitzer Prize winners, or 139 Guggenheim Fellows.

2. WORLD-CLASS STUDENTS

Cal draws its undergraduates from the best high school and community college students, and from every state and some 75 foreign countries. Among each entering class are nearly 200 National Merit Finalists and scores of other students who have already distinguished themselves in their academic and extra-curricular careers.

3. DIVERSITY AND VARIETY

The University believes that a broad diversity of student experiences, backgrounds, interests and strengths will ultimately enhance the educational experience of all of its students. In fact, Cal is remarkable in that no single racial, ethnic or cultural group forms a majority of its students.

4. A MARKETABLE DEGREE

When you are ready to graduate, Cal's reputation may take on new importance. Hundreds of recruiters visit campus each spring, hoping to employ talented new Berkeley graduates.

5. EDUCATION COMES FIRST

Although Cal is well known for its stellar graduate programs, undergraduate teaching is a campus priority. Most professors enjoy having an opportunity to introduce undergraduates to their fields of study, and nearly half of all courses offered at the undergraduate level have 25 students or fewer.

6. OVER 100 UNDERGRADUATE MAJORS

Cal offers undergraduates a choice of more than 100 different areas of study in which to major.

7. TOP-NOTCH FACILITIES

Many of the same laboratories, libraries and specialized equipment used to conduct ground-breaking research are also available to Cal undergraduates. With well over 8 million volumes, Cal's library holdings are the fourth largest in North America. Students also have access to state-of-the-art computer labs and excellent sports and recreational facilities.

8. ORGANIZATIONS AND ENDLESS OPPORTUNITIES

Regardless of your academic or social interests, you're likely to find other students who join in your enthusiasm. If you can't find a club that matches your interests, you can always start your own.

9. BERKELEY AND THE BAY AREA

It's hard to imagine a place more stimulating than Berkeley, as the Bay Area forms an extraordinary environment for all types of educational, artistic and recreational pursuits. If you want to head into San Francisco, the Bay Area Rapid Transit (BART) is just a few blocks away. Regardless of what you choose to do, you won't find a more temperate climate or a more beautiful setting.

10. ATHLETIC EXCELLENCE

Cal consistently ranks in the Top 20 among more than 300 Division I schools in the Directors' Cup standings, which measure a school's level of success, including a seventh-place finish in 2006. Cal added three team championships (men's and women's crew and rugby) to its total, along with individual championships in men's gymnastics (Tim McNeill, pommel horse), men's swimming (Henrique Barbosa, 100- and 200-yard breaststrokes), women's swimming (Helen Silver, 200-yard backstroke; Jessica Hardy, 100-yard breaststroke) and women's tennis (Suzi Babos, singles). Kevin Boyd (women's soccer), Kevin Grimes (men's soccer) and Shellie Onstead (field hockey) earned conference coach of the year honors.

GOLDMAN FIELD AT EDWARDS STADIUM

The California men's soccer team competes at one of the nation's top collegiate facilities - Goldman Field at Edwards Stadium. The complex seats 22,000 and opened for soccer prior to the 1999 season.

The field was previously the track & field infield at historic Edwards Stadium, which opened in 1932, but was converted into a regulation 70-by-115-yards natural grass soccer field for use by the Cal men's and women's soccer teams. In addition to the field renovations, which included a state-of-the-art drainage system, the stands, restrooms and press box also were upgraded. A scoreboard was added prior to the 2005 season, and there are plans to eventually add stadium lights, which will allow for night games.

The \$3.5 million spent on renovations gives Cal the ability to host NCAA championships and international matches. In July of 2002, Edwards Stadium was the site of an exhibition between two Mexican Premier Division teams - Monarchs of Morelia and Atlas of Guadalajara.

Edwards Stadium opens for the 1999-2000 academic year and is home to Cal's men's and women's soccer and track and field teams.

The dual-use grass facility is named Goldman Field in honor of Richard (class of '41) and Rhoda (class of '46) Goldman, who made the \$1.5 million initial gift to lead the renovation campaign.

Prior to moving to Edwards Stadium, both Cal soccer teams' home games

were at Witter Field, which they shared with the football (practice only) and rugby teams. Their new home on the West side of campus is a short walk from the downtown Berkeley BART station and offers families a unique environment to watch top level soccer.

STRENGTH & CONDITIONING

An integral part of Cal soccer is the strength and conditioning program. The program's philosophy is geared towards helping each student-athlete achieve the highest level of athletic development.

By teaching how all the components of strength and conditioning fit together, student-athletes understand how to maximize force production. This includes enhancement of speed, strength and flexibility, which results in improved power. Motivating, educating and maximizing athletic development is the primary focus of the Cal program.

The Cal weight room at Haas Pavilion includes six Olympic platforms, more than 5,000 pounds of Olympic bars and bumper plates, and an array of aerobic and anaerobic equipment. The facility is brightly designed and overlooks Evans Diamond to the west. Cal also has a 2,000-square foot weight room in Memorial Stadium with similar Olympic equipment that offers panoramic views of the entire region, including San Francisco and the Bay.

The training regimen is a year-round process that emphasizes speed, strength and flexibility. With closely monitored workouts that involve individual instruction and attention, student-athletes are taught the correct techniques to increase their

ability to perform at their peak during competition.

Cal's program stresses comprehensive training in order to improve both strength and speed. Flexibility is a key component because it is essential for proper lifting. It also improves the running mechanics needed for acceleration and deceleration, both essential for playing soccer.

Athlete workouts are closely monitored

by the conditioning staff, who work in collaboration with the entire sports medicine team (doctors, athletic trainers, physical therapists, nutritionists, etc.) to ensure the health and safety of all of the student-athletes.

Cal's strength and conditioning program is a vital component linking the "full circle" of a student-athlete's physical development.

ACADEMIC SUPPORT PROGRAM

One of the real success stories for the University of California is the development and growth of a comprehensive academic support program for its student-athletes – the Athletic Study Center.

In 1984, campus officials and Athletic Department administrators decided that a greater emphasis needed to be placed on helping Cal student-athletes with their academic pursuits. The Athletic Study Center was thus born and charged with developing an academic support program geared to the needs of NCAA Division I student-athletes. It was a significant development for an academically oriented institution such as Cal to recognize the special needs required for a modern student-athlete's success both as an athletic competitor on the field of play and in the classroom.

PROGRAM FOR STUDENT-ATHLETES

The Athletic Study Center, which is housed within the Division of Undergraduate Education, is the tutorial and academic support program for the nearly 1,000 student-athletes at Cal. Centrally located in the Cesar Chavez Student Center, the program provides a spacious and comfortable arboretum for quiet study, separate classrooms for individual and group tutorials, and a computer lab for word processing and required course work.

Geared around the understanding of the amount of time student-athletes must devote to practice, training, physical therapy and team travel, the program creates an environment where students can cultivate good study habits, receive individual or group tutoring and obtain counseling from academic advisors.

TUTORIAL PROGRAM

The Tutorial Program promotes and enhances students' academic skills and progress by providing individual tutoring, group workshops, study groups, credit courses and intensive special programs. The Athletic Study Center has between 50-60 tutors on staff per semester to guarantee that students receive the best possible support. Tutorial sessions are also offered at night enabling student-athletes to receive help after practices when they have more time to devote to studying.

ADVISING PROGRAM

The Advising Program offers a broad range of services to meet the unique needs of student-athletes, including assistance in understanding and complying with University, college and NCAA requirements, developing time management skills and resolving personal issues unique to student-athletes. During the freshman year, advisors typically try to help student-athletes make a successful academic transition from high school, while during the sophomore year, they assist student-athletes in making decisions on appropriate majors and fields of study. For the final two years, advisors take more of an exiting approach, ensuring that proper academic progress is being made towards graduation while referring juniors and seniors to areas on campus that can help with internships, graduate school applications and career planning.

The Athletic Study Center staff (from left): Christine Lane, Keiko Price, Courtney Dolder, Derek Van Rheenen, Melanie Moonsamy, Joe Morello, Lucas Moosman, Richard DeShong and Laura Neustetter.

SPECIAL PROGRAMS

The Athletic Study Center offers a Summer Bridge adjunct program to help ease the transition to college. The primary

components for the program include writing and math workshops, an advising workshop, study skills seminars and an evening tutorial program.

Another special program offered is Peer Advising. Peer advisors provide academic and campus life guidance for new intercollegiate student-athletes. They are selected from junior and senior student-athletes who assist in developing programs to further address the needs of student-athletes.

THE UNIVERSITY

The University of California is one of the world's leading academic institutions. The school, known throughout the world as "Cal," is truly a prototype of a contemporary university. It attracts what many consider the finest applicant pool in the country, generates an ethnically and culturally diverse student population on campus, and provides one of the finest learning experiences in the world today.

WORLD-CLASS FACULTY AND STUDENTS

The Berkeley campus is renowned for the size and quality of its libraries and laboratories, the scope of its research and publications, and the distinction of its faculty and students. National rankings consistently place Cal's undergraduate and graduate programs among the very best. The faculty includes seven Nobel Laureates, 128 members of the National Academy of Sciences, 16 MacArthur Fellows, 83 Fulbright Scholars, three Pulitzer Prize winners and more Guggenheim Fellows (139) than any other university in the country.

The quality of Cal's diverse and independent student body complements the stature of the faculty. Almost 33,000 students annually enroll at Cal. Of these, about 23,000 are undergraduates. Students come to Berkeley from all over

California, in addition to every state in the union and more than 2,000 students from more than 75 countries around the world.

THE BAY AREA

Overlooking San Francisco Bay, the campus is a lush and tranquil 1,232-acre oasis in an urban setting. The grounds have retained much of the beauty of their rural beginnings. Spacious lawns, hiking and running trails, as well as groves of oak, redwood and eucalyptus blend with the Neo-classical architecture of John Galen Howard. The University is bordered by the wooded rolling hills of Tilden Regional Park and the City of Berkeley, one of America's most lively and culturally diverse municipalities.

ACADEMIC SUCCESS

By any standard, Cal offers its students one of the best educations available. Since its birth it has earned a reputation unmatched by any public university in America. According to a recent study by the National Research Council, Cal ranks first nationally in both the number of graduate programs in the Top 10 in their fields (97 percent) and the number of "distinguished" programs for the scholarship of the faculty (32 programs).

Although Cal is well known for its stellar graduate programs, undergraduate teaching is a campus priority. Nearly half of all courses offered at the undergraduate level have 25 students or fewer, and many lecture courses include smaller laboratory or study group sections which allow close

interaction with professors and other instructors.

Cal offers a wide arena for academic endeavor and personal growth with more than 7,000 courses in nearly 300 degree programs. Support services such as the Student Learning Center, Career and Graduate School Services, the Disabled Students' Program, and campus and alumni mentor programs reflect Cal's commitment to undergraduate education. Study abroad is available to undergraduate students through the Education Abroad Program, which maintains more than 90 study centers in countries such as Australia, Costa Rica, Hong Kong, Italy, New Zealand and Thailand.

ATHLETIC EXCELLENCE

The excellence of the University's intercollegiate athletic program rivals the school's academic reputation as Cal boasts one of the finest all-around programs in the nation. Twenty-seven sports – men's and women's basketball, crew, cross country, golf, gymnastics, soccer, swimming and diving, tennis, track & field and water polo; men's baseball, football and rugby; along with women's softball, volleyball, field hockey and lacrosse – are sponsored by the University. Over the years, Cal has captured more than 60 national team championships – most recently rugby and men's and women's crew in 2006 – while claiming over 130 NCAA individual championships in a variety of sports.

OUTSIDE THE CLASSROOM

A myriad of activities also goes on outside the classroom. There are more than 350 registered student organizations, such as the Marching Band, Hang Gliding Club, radio station KALX, ethnic associations, humor and literary magazines, debate team, Cal Corps (volunteer programs), Cal in the Capitol/Sacramento, and political organizations.

In addition, Cal has a host of other features, including public lectures and concerts, campus-sponsored forums and seminars, clubs and workshops, international festivals, art, photographic, design, architectural, anthropological and archaeological exhibits and displays, and dozens of bookstores near campus – all of this making Berkeley one of the most intellectually stimulating communities in the country.

CAL STUDENT POPULATION

Fall 2004

No. of Students	32,814
Undergraduates	22,880
Graduate Students	9,934
