THE PACIFIC-10 CONFERENCE

Entering the 2007-08 season, the Pacific-10 Conference continues to uphold its tradition as the "Conference of Champions."® Pac-10 members have claimed an incredible 146 NCAA team titles over the past 17 seasons, for an average of more than eight championships per academic year.

Even more impressive is the breadth of the Pac-10's success, as those 146 team titles have come in 24 different men's and women's sports. The Pac-10 has led the nation in NCAA Championships 41 of the last 47 years and finished second five times.

Spanning nearly a century of outstanding athletics achievement, the Pac-10 has captured 359 NCAA titles (254 men's, 105 women's), far outdistancing the runner-up Big Ten Conference's 212 titles.

The Conference's reputation is further proven in the annual United States Sports Academy Directors' Cup competition, the prestigious award that honors the best overall collegiate athletics programs in the country. In the 2006-07 season, CALIFORNIA finished ninth. The Pac-10 landed five programs in the Top-10, two more than the second-place SEC (2).

The Pac-10 captured eight NCAA titles in 2006-07 to lead the nation. It should be noted that the Pac-10 total does not include CALIFORNIA's national championship in men's rugby or WASHINGTON's national championship in men's crew, as they are not counted as NCAA titles. The Pac-10 led the nation with the most NCAA titles in women's sports with five.

NCAA team champions from the Pac-10 in 2006-07 came from ARIZONA (softball), ARIZONA STATE (women's indoor track & field and women's outdoor track & field), CALIFORNIA (men's water polo), OREGON STATE (baseball), STANFORD (women's cross country and men's golf) and UCLA (women's water polo). The Pac-10 also had runners-up in seven NCAA Championship events: men's soccer (UCLA), women's volleyball (STANFORD), men's water polo (USC), women's water polo (STANFORD), men's swimming (STANFORD), women's swimming (ARIZONA) and women's tennis (UCLA). Overall, the Conference had 32 teams finish in the top four at NCAA Championship events.

Participation in the postseason was a common occurrence for the Conference in 2006-07. Of the 22 sports sponsored by the Pac-10, 19 witnessed at least half its teams participating in NCAA or other postseason action. The men sent 62 of a possible 90 teams into the postseason (68.1 percent), while the women sent 74 of

a possible 100 teams (74.0 percent).

The Pac-10 experienced continued success in football as the league sent six teams to bowl games. USC and CALIFORNIA were

named co-Pac-10 Champions with identical 7-2 league records. Overall, the Pac-10 went 3-3 in postseason bowl games with ARIZONA STATE, CALIFORNIA, OREGON, OREGON STATE and UCLA also earning bowl appearances. USC, CALIFORNIA and OREGON STATE found themselves ranked in the Top-25 in the nation at the conclusion of the season, finishing fourth, 14th and 21st respectively (Associated Press).

On the men's side, Pac-10 members have won 254 NCAA team championships, far ahead of the 195 claimed by the runner-up Big Ten. Men's NCAA crowns have come at a phenomenal rate for the Pac-10 - 15 basketball titles by five schools (more than any other conference), 49 tennis titles, 45 outdoor track and field crowns, and 26 baseball titles. Pac-10 members have won 25 of the last 38 NCAA titles in volleyball, 33 of the last 48 in water polo, and 20 total swimming and diving national championships.

Individually, the Conference has produced an impressive number of NCAA men's individual champions as well,

claiming 1,146 NCAA individual crowns.

On the women's side, the story is much the same. Since the NCAA began conducting women's championships 26 years ago, Pac-10 members have claimed at least four national titles in a single season on 18 occasions. Overall, the Pac-10 has captured 105 NCAA women's crowns, easily outdistancing the SEC, which is second with 70. Pac-10 members have dominated a number of sports, winning 19 softball titles, 17 tennis crowns, 11 of the last 17 volleyball titles, 11 of the last 18 trophies in golf and eight in swimming and diving.

Pac-10 women athletes shine nationally on an individual basis as well, having captured an unmatched 488 NCAA individual titles, an average of more than 18 championships per season.

The roots of the Pacific-10 Conference date back over 90 years to December 2, 1915, when the Pacific Coast Conference (PCC) was founded at a meeting at the Oregon Hotel in Portland, Ore. Original membership consisted of four schools - the University of California at Berkeley, the University of Washington, the University of Oregon, and Oregon State College (now Oregon State University). All still are charter members of the Conference.

Currently, the Pac-10 sponsors 11 men's sports and 11 women's sports. Additionally, the Conference is a member of the Mountain Pacific Sports Federation (MPSF) in four other men's sports and two other women's sports.

GOLDEN BEARS AND THE SPECIAL OLYMPICS

GOLDEN BEARS WORK WITH SPECIAL ATHLETES

The California Golden Bear softball team spent a weekend in September with the Northern California Special Olympics in San Jose. Cal players helped the campers with tutorials in hitting and fielding.
