BERKELEY – After the California softball team started the 2011 season as the projected fourth-place finisher in the Pac-10 Conference, the Golden Bears surpassed all expectations to finish second in the premier softball league and earn a No. 7 seed in their 26th straight NCAA Tournament. Cal (39-10) takes flight to the Louisville Regional, where the Bears will play Jacksonville State (39-19) on Friday, May 20 at 2 p.m. PT. Host Louisville (36-18) and Illinois-Chicago (25-22) follow with a 4:30 p.m. PT match.

Lately With the Bears

-Cal finished Pac-10 play with a series victory at No. 10 Arizona last weekend

-The 2-1 loss in 10 innings to the No. 10 Wildcats on May 12 snapped an eight-game winning streak

-In the three games in Tucson, the Bears played in front of an average of 2,690 fans

-Jolene Henderson went 1-1 last week against No. 10 Arizona

-Against UA, Williams notched a team-high five walks and was one of three teammates to drive in three runs

-Arianna Erceg earned the Saturday win, allowing one earned run in five innings

Highlighting Pac-10 Play

-Cal took at least one game from every school en route to five series victories

-The Bears swept defending national champion UCLA in three games - 7-2 (April 29), 9-1 in five innings (April 30) and 2-1 (May 1)

-Cal earned series sweeps of then-No. 17 Oregon, then-No. 8 UCLA and Oregon State

-To start Pac-10 games, then-No. 4 Arizona and then-No. 7 Washington both earned the 2-1 series wins

-The Conference coaches picked Cal to finish fourth in their preseason poll

Recently on the Diamond

The postseason may have been still a week away, but the May 14 match between No. 5/6 California and No. 10 Arizona had all the makings of a Women's College World Series game - extra innings, intense rivalry, incredibly talented student-athletes and more. In the end, however, the Wildcats came away with the 2-1 win, scoring the gamewinner in the bottom of the 10th. In the 9-4 victory on May 15, the adage of "Chicks dig the long ball," did not ring true in the desert. Instead, the Golden Bears worked their magic with small ball and solid defense to power past the Wildcats in a key Pac-10 Conference match-up. Cal rained four runs in the top of the first before Arizona got on the board with three in the third. Thanks to a run each in the fourth, Cal owned a 5-4 lead before the Bears unleashed for the second time in the game with four scores in the top of the sixth. For the series finale on May 16, Cal scored first - one run in the top of the first - and last - four runs in the sixth - to finish the regular and Pac-10 Conference season with a 6-3 victory over No. 10 Arizona on Saturday afternoon. Thanks to the 9-4 win on Friday evening and the Saturday success, the Golden Bears own second place in the ever-competitive Pac-10.

Road Warriors

The Bears did not play within the friendly confines of Levine-Fricke

Field in the serene setting of Strawberry Canyon in Berkeley until April 1, when Cal opened Pac-10 play with a three-game homestand against Arizona State. Until April Fool's Day, the Bears played all of their games on the road and currently own a 28-7 road record.

How Does This Work?

The Bears are one of 64 teams who will be competing at 16 regional sites in the first round double-elimination Regionals. The top 16 teams were seeded in order, and the remaining teams were placed in regional brackets to create balanced competition and avoid conference matchups, when possible. The regional winners will advance to super regional competition for a best-of-three series at eight campus sites. The eight teams that win the Super Regionals will advance to the WCWS, an eight-team, double-elimination tournament. The championship final will be a best-of-three-series. The WCWS will be conducted June 2-8 at the ASA Hall of Fame Stadium in Oklahoma City.

Diane Ninemire

24th Season in 2011

Cal/Career Record
 (entering 2011): 1,014-498
 Cal/Career Record
 (as of 5-18-2011): 1,053-508

Since her first year in the dugout in 1988, Diane Ninemire has continually taken the Bears to new heights as one of the winningest and most successful softball programs in the nation.

From 1999-2005, Cal made seven straight trips to the College World Series. With a national championship, nine Women's College World Series trips, and 22 straight NCAA Regional appearances to her credit, it is no wonder that Cal enters every season as a national contender. In addition to posting their 37th consecutive winning record in 2010, the Bears finished 10-11 in the Pac-10 Conference to tie for fourth. During Ninemire's tenure at Cal, 36 All-America, 90 all-region, and 156 all-conference certificates have been issued to Golden Bear athletes.

Thanks to a 6-0 victory over Sacramento State on April 7, Ninemire became the ninth coach in the history of Division I softball to notch 1,000 wins. Already the winningest coach - male or female - in all of Cal history for any sport, she has accumulated the second-most wins in Pac-10 history. History was made in 2002 when Ninemire helped direct Cal to its first NCAA Championship at the WCWS with a 6-0 win over the Arizona Wildcats, the first women's title in Cal athletic program history.

Prior to the 2009 season, Ninemire was announced as one of three members to be inducted into the National Fastpitch Coaches Association's 2009 Hall of Fame class. Ninemire, who joined Frank Cheek of Humboldt State and Bill Edwards of Hofstra, was inducted into the NFCA Hall of Fame on Friday, Dec. 11 2009, at the Renaissance Hotel in Nashville, Tenn.

Ninemire began her collegiate playing career at Midland Lutheran College leading the team to a state championship as a freshman. After one season, she transferred to Nebraska-Omaha, where she played on both the softball and basketball teams for three years. A shortstop and left fielder, Ninemire helped UNO to the 1978 championship and three appearances in the College World Series.

Ninemire graduated from UNO in 1980 and completed her master's degree in physical education at Texas Woman's University in 1987. She began her coaching career at TWU in 1980 as Donna Terry's assistant before heading west to assist Terry and the Golden Bear program in 1983.

Bears Celebrate Friends of Jaclyn Adoptee

A year had transpired since Cal adoptee Bebe Wiggs had been out to Levine-Fricke Field. But the changes that went on during that year were monumental for the little four-year-old girl with cancer. The Golden Bears adopted Bebe, a local child with pediatric cancer, through the Friends of Jaclyn Foundation. The Friends of Jaclyn Foundation (FOJ) is a non-profit, charitable organization that improves the quality of life for children with pediatric brain tumors and their families. Last year, Bebe's father, Geoff, threw out the first pitch, but Bebe was more than up to the task this year. Bebe and her family - both her parents are Cal alums - attended the game against Stanford on April 23, which was good luck for the Bears upset Stanford, 4-1.

Who's On First?

Cal is set to return to the NCAA Tournament with 11 returning letterwinners, including star pitchers Jolene Henderson and Valerie Arioto. Coming back for her junior season is Jamia Reid, who bested her own steals record last year with 48 and landed on the All-Pacific First Team. Also returning to the field are six of Cal's 10 All-Pac-10 teamers,

You can ask questions of the Cal Softball Twitter and communicate with others as well.

Top of the Rankings to Ya!

The Bears began their season very close to where they ended the 2010 campaign - as the No. 12 team in the country. The nation's leading authority on rankings - the USA Today/NFCA Division I Top-25 and ESPN.com/USA Softball Collegiate Top 25 polls - both heralded the Golden Bears as the No. 12 team in the country.

Opening Day

With its 14-1 smoldering of Cal State Bakersfield on Feb. 11 to start the season, Cal returned to successful opening day history after dropping the season opener last season, 3-2, to Texas A&M for the first time since 1997. In four of the past six season lid lifters, the Bears have scored 10+ runs.

Remembering Last Season

The 2010 Bears chalked up yet another winning year and a successful run into the postseason to which the Bears are accustomed - advancing to Super Regional play after demolishing the Columbus Regional. In addition to posting their 37th consecutive winning record in 2010, the Bears finished 10-11 in the Pac-10 Conference to tie for fourth. The Bears were one of the seven Pac-10 teams to earn an at-large bid to the postseason, marking their 25th consecutive trip to NCAA tournament, which is the second-longest streak in the nation. Cal earned rankings in the top 25 of both polls for the entirety of this season, with ESPN.Com/USA Softball poll tagging the Bears as high as 11 (preseason-Feb. 23) and USA Today/NFCA's highest ranking was 12th, which occurred several times (preseason-Feb. 16, May 11). The Bears never dipped lower than 19 according to ESPN.com/USA Softball or 16th in the USA Today/NFCA poll.

Arioto, Reid Named to ASA Top-50 Watch List

Valerie Arioto and Jamia Reid were selected to

the Amateur Softball Association of America (ASA)'s initial watch list for the 10th annual USA Softball National Collegiate Player of the Year Award. This award, which is considered one of the most prestigious honors in Division I women's collegiate softball, is designed to recognize outstanding athletic achievement by female collegiate softball players across the country.

Three Stellar Recruits To Join Cal in 2012

Three talented student-athletes signed their National Letters of Intent to join California softball, head coach Diane Ninemire announced in the fall. Cheyenne Cordes, Danielle Henderson and Breana Kostreba will suit up in the Blue and Gold for the Golden Bears in 2012. Cordes will make the short move from her hometown of Fairfield, Calif., to Berkeley next fall. With her, she will bring international experience from her time playing with the U.S. junior national team, winning a gold medal this past summer in Colombia. Henderson - was named First Team All-State Underclassman in 2009 and 2010 and thrice named First-Team All-League - can fill a number of positions on the field, where she will join her sister, current sophomore Jolene Henderson. Kostreba comes to Berkeley by way of Aptos, Calif., where she has already accumulated multiple accolades in just three years, including a league championship, and has national team and ASA experience as well.

Student Leader Coming Through:

Amy Bishop, who walked onto the Cal team after playing softball in high school, is a stalwart on Cal's Student-Athlete Advisory Committee, also known as Bear SAAC. What Bishop likes best about SAAC is that it gives student-athletes a chance to use sports as a vehicle for creating change on campus. The leadership group plans events, workshops and community service outings.

"I was born on Sept. 22. It's always been my favorite number and I've been 22 on most of my teams – softball and soccer – since I started playing sports. I was just lucky because when I joined the team, Coach offered me 22 or 7."

While some students may move around a country or a state multiple times before college, freshman Britt Vonk lived in different countries. She spent most of her youth in the Netherlands, but she also spent a year living in Spain while her father, Theo, coached a Spanish soccer team.

The Conquering Olympian:

Freshman shortstop Britt Vonk has one thing no other Bear can claim: experience in the Olympic Games. Vonk played for the Dutch national team at the 2008 Olympics, which she notes as one of her best sporting moments. Her other is being the Dutch champions with the Tex Town Tigers.

My Walk-Up Songs Are:

"ACDC's 'Thunderstruck' and Lupe Fiasco's 'Superstar.' Honestly back in Holland, I listened to a lot of techno, but since I've been here, I have been listening to a lot of R&B and rock! I just love these two songs and I can listen to them all day long!"

Why I Have My Number:

"The reason why I picked number 18 is a little bit silly. I've worn it since I was 13-years-old and I don't want to replace it. I once saw 'The Replacements.' It's a movie about football, and even though we don't play football back in Holland, I thought it was a pretty good and inspiring movie. The football star in that movie had number 18, so that's why I picked it."

2009 Quick Hits:

- Redshirted after transferring from Washington

2008 Quick Hits (at Washington):

- Second team All-Pac-10 and named to the Pac-10 All-Freshman team
- Ranked second on the team with a .333 batting average, .503 slugging percentage and 12 doubles, while also tying for second with 34 RBI and 29 runs scored
- Led the team with a .411 on-base percentage, while her 18 walks tied for the team lead

Personal:

- Majoring in psychology with thoughts of double majoring in art

Iron Lion Zion:

One of junior third baseman Jace Williams' favorite types of music is reggae, and not just because it is her namesake. She inherited her taste in music from her mother, who came up with middle name Marlee for her first-born daughter. Jace notes that 95 percent of the music on her iPod is reggae.

Island Fever:

It's no wonder that Jace Williams has a predilection for reggae music. Half of her family has lived on the island of Maui for 15 years.

Why I Have My Number:

"When I was younger, I was really into soccer and wanted to be like Mia Hamm. So I copied her and chose 9 because that was her jersey number."

My Walk-Up Songs Are:

"'Iron Lion Zion' and 'Positive Vibration' by Bob Marley. I love the Rastafarian lifestyle. Reggae lyrics are meaningful and I like the overall vibe! I'm a laid-back beach bum, and reggae songs make me feel like I'm back at home on the beach."

High School:

Personal:

- Mother Laura, who played softball as an undergrad at Pacific
- Long-time teammate and current roommate of Jolene Henderson since the two were seven-year-olds
- Majoring in psychology with aspirations to get a masters in education from Cal

You Look Familiar:

Sophomore catcher Lindsey Ziegenhirt is not the first in her family to attend Cal for her older sister, Katie, graduated this past December from Berkeley. Though they may be several years apart, Lindsey and Katie still get mistaken for each other.

Mama's Girl:

Prior to coming to Cal, Lindsey Ziegenhirt's mother, Laura, had been on the coaching staff for almost all of Lindsey's softball teams. Now that Lindsey is a Golden Bear, Laura still travels to every game to watch Lindsey and the pair breaks down the game together as if nothing has changed. A collegiate letterwinner herself, Laura played for Pacific, where she guided the Tigers to the Women's College World Series as a senior captain.

Back on the Playground:

Sophomores Lindsey Ziegenhirt and Jolene Henderson have been battery mates since they were seven-years-old. Growing up together

just outside of Sacramento in Elk Grove, Calif., the pair went from rec ball teams to ASA to high school and now Cal. When looking at colleges, they wanted to go to one together and found a perfect fit in Berkeley.

Why I Have My Number

"A really, really long time ago, I was number 5. I grew out of the jersey and the only number left was 17. It was funny because my sister was number 7, so the joke is that I always try and one-up her so I had to be 17. I've had the number ever since."

My Walk-Up Songs Are:

"'Girl at the Rock Show' by Blink 182 and 'Roll to Me' by Del Amitri because they remind me of the summer months on the road for softball, relaxing in the sun and being with friends."
