

TOP CAL STARS

HALL OF FAMERS

SARAH ANDERSON

A 21-time All-American and one of the best mid-to-long distance swimmers in Cal history, Sarah Anderson still holds school records for the 1,650-yard (16:10.33 in 1988) and 1,000-yard (9:46.08 in 1991) freestyle events—the only two freestyle categories to withstand the talents of three-time NCAA Swimmer of the Year

Natalie Coughlin in school annals. During her tenure at Cal, she placed in the top three at the NCAA meet four times, finishing third in the 1650 in 1988, second in the 200 free in 1991, and third in both the 1650 free and 500 free in '91. Anderson was voted Pac-10 Swimmer of the Year in 1989, when she claimed conference crowns in the 200, 500 and 1650 freestyle races. As a senior, she also earned national and Pac-10 All-Academic honors.

MARY T. MEAGHER

Olympic gold medallist Mary T. Meagher, world record holder and a six-time NCAA champion for California, is a member of both the International Swimming Hall of Fame (inducted May 7, 1993 in Fort Lauderdale, FL) and the Cal Athletic Hall of Fame (inducted January 8, 1992).

Meagher, known at Madame Butterfly during her competitive years, was a member of the 1980, 1984 and 1988 U.S. Olympic teams. At the 1984 Games in Los Angeles, she captured gold medals in the 100-meter butterfly, the 200-meter butterfly and as a member of the 400-meter medley relay team. Her 100 and 200 fly times were both Olympic records.

In 1981, Meagher established world marks in the 200 fly (2:05.96) and the 100 fly (57.93). Her 200 fly time was rated the fifth-greatest single event performance by Sports Illustrated. She owns several of the top times in history in the 200 fly and was the first woman to swim under 2:07.

Meagher enrolled at Cal in the fall of 1982 and won NCAA championships each of her four years with the Golden Bears (She took 1984 off from school to concentrate on the Olympics.). In 1983, Meagher earned her first NCAA title in the 200-yard fly. She later won the 100 and 200 fly in 1985, the 200 fly in 1986, and the 100 and 200 fly in 1987. Meagher graduated in December 1987.

Meagher received the Olympia Award and was named the Kentucky Sportswoman of the Year in 1984. She also won the Honda Sports Award for swimming in 1985 and 1987 and was selected the winner of the 1987 Honda Broderick Cup, given annually to the nation's top female collegiate athlete.

Meagher was the 16th woman to be inducted into the Cal Hall of Fame.

MARYLYN CHIANG

Marylyn Chiang, the 1999 Pacific-10 Conference Swimmer of the Year, ended a spectacular career in California women's swimming history in 1999 when she helped the Golden Bears to a fifth-place national finish at the NCAA Championships in Athens, Ga.

Chiang captured the NCAA title in the 100 back, breaking the then-NCAA and U.S. Open record with a time of 52.36 (since topped by Natalie Coughlin's 49.97 in 2002). She became the first Cal women's swimmer to win an NCAA title since Hiroko Nagasaki won the 200 breast in 1988, and was the first Cal Pac-10 Swimmer of the Year since Sarah Anderson in 1989.

Chiang also placed second nationally in the 200 IM with a time of 1:57.83 and placed third in the 100 fly with a time of 52.40. She helped the Bears to a second-place finish in the 400 free relay (lead-off leg) which set a then-school record 3:16.56 as well.

In all, Chiang is a member of the Bears all-time Top 10 list in five events, second in 100 back, second in 100 fly, fourth in 200 back, sixth in 100 free, fourth in 200 IM. She was also the 1999 Pac-10 Champion in the 200 IM and 100 back, and helped lead the Bears to conference relay titles in the 200 and 400 free relays.

HALEY COPE

Haley Cope was named the 2000 Pacific-10 Conference Swimmer of the Year as a junior after leading Cal to NCAA titles in the 200-meter medley relay (then world-best 1:49.23) and 200m free relay (then U.S. Open record 1:40.18). She also set a short course world record in the 50m back (27.25) as a lead-off on the Bears 200m medley relay. Cope placed second in the nation in the 100m back (59.17) and sixth in the 100m butterfly (59.70) as well. She was a member of the Pac-10 champion 200-yard free relay (Pac-10 meet record 1:30.98), 400 medley relay (Pac-10 meet record 3:35.71) and 200 medley relay (Pac-10 meet record 1:39.27).

Cope concluded her collegiate swimming career in 2001, placing second at the NCAA Championships in the 50 free (22.34), third in the 100 back (53.06) and seventh in the 100 free (49.34). She also helped lead the Bears to national runner-up finishes in the 200 free relay (school record 1:30.05), 200 medley relay (backstroke leg, American record 1:38.44) and the 400 medley relay (backstroke leg, American record 3:34.83). At the 2001 Pac-10 Championships, Cope placed first in both the 50 (Pac-10 record 22.32) and 100 free (49.27) and helped the Bears to the conference title in the 200 free relay.

Cope won a silver medal in the 2004 Olympics for the 400-meter medley relay, competing in the preliminaries of the event. Cope was joined in that relay by former teammate Natalie Coughlin and was coached by her former collegiate coach Teri McKeever, a U.S. assistant coach. Cope qualified for the Olympic team in the 100 backstroke, second only to Coughlin at the Trials. She finished eighth in the final of the 100-meter backstroke in Athens at 1:01.76.

In the spring of 2003, Cope won her third U.S. national title, taking the 100m back in a best time. A national team member, Cope turned in a runner-up finish in the 100m back at the Mutual of Omaha's U.S. vs. Australia "Duel in the Pool".

KAREN MOE HUMPHREYS

Karen Moe Humphreys (Thornton) led the Bears from 1978-92, producing an 83-40-1 (.673) dual meet record and establishing California as one of the nation's top swimming programs. Under her leadership, the Bears won five conference titles and placed fifth or better in the NCAA Championship eight times.

CAL RESULTS FROM LAST 10 NCAA CHAMPIONSHIPS

1997

(9th place – 148.0 points)

Marylyn Chiang: 100 back - 53.29, 2nd; 200 back - 1:56.30, 3rd; 200 IM - 1:58.81, 4th
Waen Minpraphal: 200 fly - 2:00.48; 10th
Elli Overton: 400 IM - 4:13.06, 4th; 200 IM - 1:59.82, 6th; 200 back - 2:00.20, 14th
Chiang/Kolbisen/Omphroy/Overton: 800 free relay - 7:27.38, 7th
Chiang/Overton/Minpraphal/Omphroy: 400 medley relay - 3:43.50, 10th
Chiang/Kolbisen/Minpraphal/Omphroy: 400 free relay - 3:22.50, 10th
Chiang/Overton/Minpraphal/Omphroy: 200 medley relay - 1:43.94, 12th

1998

(8th place – 237.0 points)

Elli Overton: 200 fly - 1:57.73, 2nd; 200 IM - 1:58.38, 2nd; 400 IM - 4:15.60, 6th
Marylyn Chiang: 100 back - 53.59, 3rd; 200 IM - 1:58.95, 4th; 200 back - 1:58.59, 7th
Waen Minpraphal: 200 fly - 1:59.14, 6th; 100 fly - 54.54, 12th

Hanna Jaltner: 100 breast - 1:02.52, 12th
Haley Cope: 100 back - 55.82, 16th
Adrienne Mattos: 50 free - 22.97, 16th
Chiang/Jaltner/Minpraphal/Omphroy: 200 medley relay - 1:40.91, 5th
Chiang/Jaltner/Minpraphal/Kolbisen: 400 medley relay - 3:38.83, 5th
Chiang/Cope/Kolbisen/Omphroy: 400 free relay - 3:18.98, 6th
Overton/Chiang/Omphroy/Kolbisen: 800 free relay - 7:14.15, 6th
Mattos/Cope/Kolbisen/Omphroy: 200 free relay - 1:30.96, 10th

1999

(5th place – 315.0 points)

Marylyn Chiang: 100 back - 52.36, 1st; 200 IM - 1:57.83, 2nd; 100 fly - 52.40, 3rd

The UNIVERSITY of CALIFORNIA

SIMPLY THE BEST

There is no other way to aptly describe America's top public university. There is no other way to describe one of the elite academic settings in the world – especially one that also includes one of America's most successful athletic departments.

The University of California blends the best of all worlds. Overlooking the scenic San Francisco Bay and ranked as the nation's top public university by the *U.S. News and World Report*, the flagship campus of the state of California also features an athletic program that annually finishes among the leaders in the Directors' Cup standings, which rates the overall success of America's athletic departments.

Cal attracts what many believe to be the finest applicant pool in the United States. The university features a diverse student-body population. The University of California offers 300 degree programs, and 35 of the school's 36 graduate programs are ranked among America's top 10. Cal's 35 programs among the top 10 is No. 1 among all universities in the country, as is its 32 "distinguished" programs, as rated by the National Research Council.

The library is ranked third in the country, as judged by Association of Research Libraries with 9 million volumes in 18 campus libraries.

The faculty features seven Nobel Laureates, 128 members of the National Academy of Sciences, 16 MacArthur Fellows, 83 Fulbright Scholars, three Pulitzer Prize winners and more Guggenheim Fellows (139) than any other university in America.

CAL AQUATICS

AMERICA'S NO. 1 PUBLIC UNIVERSITY BY THE NUMBERS

1 Universities With Highest Number of Top 10 Graduate Programs

1. CALIFORNIA
2. Stanford
3. Harvard
4. Princeton

Service

The University of California is the only school in the country to have produced more than 3,000 volunteers since the inception of the Peace Corps in 1961.

The **BAY AREA** and BEYOND

The San Francisco Bay Area is a major metropolitan area of approximately six million people and one of the most scenic regions in the United States. The Bay Area includes the major cities of San Francisco and Oakland, as well as Berkeley, home of the world-renowned University of California. Just south is the city of San Jose and the Silicon Valley, home to many of the world's high-tech companies. The Bay Area also lies within easy driving distance of the high Sierra resorts of Lake Tahoe and Yosemite, the Monterey/Carmel peninsula, the world famous Napa wine country, and the spectacular Mendocino Coast.

Everyone knows "The City" - San Francisco - from countless photographs, movies and television shows that capture its magic. It is a city built on a series of more than 40 hills, offering panoramic views of every kind. The hub of a nine-county complex and the financial and insurance capital of the world, San Francisco has a resident population of about 800,000. San Francisco is situated on a 46.6 square-mile peninsula bounded on the west by the Pacific Ocean, on the north by the Golden Gate strait, and from north to east by the San Francisco Bay. The City has been named the world's top city twice by readers of *Conde Nast Traveller* and the top U.S. city eight times since 1988.

The San Francisco Bay is spanned by two landmarks, the Golden Gate and San Francisco-Oakland Bay bridges, and graced by four islands: Alcatraz, Angel, Yerba Buena and Treasure. The area is easily navigated by car, BART (Bay Area Rapid Transit), bus or ferry, making it easily accessible to all.

Located across the Bay Bridge from San Francisco, Oakland is a city of 400,000, jam-packed with exciting attractions, stimulating arts, and an ideal climate. Oakland's charm exceeds its man-made wonders, as its tumbling hills, vast forests, hiking and riding trails, beautiful lakes and numerous parks provide a natural escape for those who prefer nature over an urban environment.

Berkeley, just a 12-mile drive from San Francisco, is situated on 18.8 square miles with a population of 103,000 people. A study in contrasts, Berkeley is a small town with a big-city character. With its world-renowned university, global population and rich diversity of cultural arts, Berkeley reflects and affects the rest of the country.

Sports fans can see it all in the Bay Area - professional football (San Francisco 49ers, Oakland Raiders), professional basketball (Golden State Warriors), professional baseball (San Francisco Giants, Oakland Athletics), professional hockey (San Jose Sharks), and outstanding collegiate competition.

ACADEMIC ACHIEVEMENT

One of the real success stories for the University of California is the development and growth of a comprehensive academic support program for its student-athletes - the Athletic Study Center.

In 1984, campus officials and Athletic Department administrators decided that a greater emphasis needed to be placed on helping Cal student-athletes with their academic pursuits. The Athletic Study Center was thus born and charged with developing an academic support program geared to the needs of NCAA Division I student-athletes. It was a significant development for an academically oriented institution such as Cal to recognize the special needs required for a modern student-athlete's success both as an athletic competitor on the field of play and in the classroom.

PROGRAM FOR STUDENT-ATHLETES

The Athletic Study Center, which is housed within the Division of Undergraduate Education, is the tutorial and academic support program for the nearly 1,000 student-athletes at Cal. Centrally located in the Cesar Chavez Student Center, the program provides a spacious and comfortable arboretum for quiet study, separate classrooms for individual and group tutorials, and a computer lab for word processing and required course work.

Geared around the understanding of the amount of time student-athletes must devote to practice, training, physical therapy and team travel, the program creates an environment where students can cultivate good study habits, receive individual or group tutoring and obtain counseling from academic advisors.

TUTORIAL PROGRAM

The Tutorial Program promotes and enhances students' academic skills and progress by providing individual tutoring, group workshops, study groups, credit courses and intensive special programs. The Athletic Study Center has between 50-60 tutors on staff per semester to guarantee that students receive the best possible

support. Tutorial sessions are also offered at night enabling student-athletes to receive help after practices when they have more time to devote to studying.

ADVISING PROGRAM

The Advising Program offers a broad range of services to meet the unique needs of student-athletes, including assistance in understanding and complying with University, college and NCAA requirements, developing time management skills and resolving personal issues unique to student-athletes.

During the freshman year, advisors typically try to help student-athletes make a successful academic transition from high school, while during the sophomore year, they assist student-athletes in making decisions on appropriate majors and fields of study. For the final two years, advisors take more of an exiting approach, ensuring

that proper academic progress is being made towards graduation while referring juniors and seniors to areas on campus that can help with career planning.

SPECIAL PROGRAMS

In addition, the Athletic Study Center offers a Summer Bridge adjunct program designed to help ease the transition from high school to college. The primary components for the program include writing and math workshops, an advising workshop, study skills seminars and an evening tutorial program.

Another special program offered is Peer Advising. Peer advisors provide academic and campus life guidance for new intercollegiate student-athletes. They are selected from junior and senior student-athletes who assist in developing programs to further address the needs of student-athletes.
