MEDIA INFORMATION

WELCOME TO CALIFORNIA FOOTBALL 2006

The 2006 University of California Football Media Guide is produced to assist the media with their coverage of the Golden Bears this fall. Additional information, including media releases and photographs, may be obtained by contacting the Media Relations Office at (510) 642-5363. Please take a moment to review the following policies and services that are intended to assist you with your coverage of Cal football. Some policies have changed from past years. As always, please contact the media relations office with questions or concerns.

SEASON CREDENTIALS

Beginning with the 2006 football season, all season credentials for University of California football must be requested through Cal's official website. All requests for season credentials should be submitted, via the on-line application process, by Friday, Aug. 11. Only media who cover the Bears on a regular basis will be considered for season credentials. A lost season credential will result in that member of the media being moved to the single-game list.

SINGLE-GAME CREDENTIALS

All requests should be made at least one week prior to the game for which the credential is requested. No credential requests will be considered after 5 p.m. Thursday of game week.

WILL CALL

The Media Will Call booth is located at Gate 9 on the south side of Memorial Stadium. It will be open four hours before kickoff and remains open through the conclusion of the second quarter. Identification is required to pick up credentials or tickets. Parking pass cannot be left at will call.

ACCESS

The easiest access for the media is through the South Gate (Gate 9) of Memorial Stadium. The press box elevator is located on the mezzanine level near Section G.

GAME DAY PARKING

Parking at Memorial Stadium is always at a premium with a limited number of spaces allocated to the media. Press parking is located on Warring Street between Channing Way and Piedmont Avenue. Early arrivals are strongly suggested, and only those with parking permits will be admitted. Parking permits cannot be left at will call.

2006 SEASON CREDENTIALS

Beginning with the 2006 football season, season credentials for Golden Bears home football games must be requested online utilizing the media services button on CalBears.com. The web site contains complete instructions for submitting applications with each applicant kept abreast of their request via e-mail updates. Only requests made by sports directors or sports editors will be considered.

Priority will be given to daily newspapers (based on circulation), television stations that originate their own newscasts, and radio stations that include sports programming as part of their daily format.

The password protected media services portion of CalBears.com will also include photos for release, news releases and media advisories.

Please contact the media relations office with questions or concerns.

WEEKDAY MEDIA PARKING

When visiting Cal to interview players or coaches during the week, you may park in the south bullpen at the south end of the stadium, inside gate 9 AFTER obtaining a parking permit from the Media Relations Office.

GAME DAY DIRECTIONS

Take the University Avenue exit off Interstate 80 and proceed east for approximately two miles until University ends at Oxford Avenue. Turn right and follow Oxford approximately four blocks (it becomes Fulton Street) to Channing Way, then turn left. Follow Channing east to Warring Street. Turn left on Warring to enter press parking.

MEDIA RELATIONS OFFICE

The primary Cal Media Relations Office is located on the third floor of Haas Pavilion. The department also has a satellite office at 210 Memorial Stadium, with access on the mezzanine level near Section H.

TUESDAY MEDIA LUNCHEONS

Each Tuesday during the football season, Cal hosts a media luncheon in the Hall of Fame Room in Memorial Stadium. The luncheon, which begins at 11:30 a.m., features an appearance by head coach Jeff Tedford and several Cal play-

ers, in addition to a speakerphone interview with the head coach of the upcoming opponent when available.

BEST TIME TO REACH JEFF TEDFORD

The best time to reach head coach Jeff Tedford is between 11 a.m. and 1 p.m. Tuesdays. Please give at least 24-hour notice on all interview requests. Contact the Media Relations Office at (510) 642-5363 to make arrangements. Tedford is usually available after the conclusion of practice on the field. Prior arrangements are requested.

PLAYER/COACH INTERVIEWS

All player interviews, either in person or by telephone, must be coordinated through the Cal Media Relations Office with a minimum of at least one-day advance notice. Players may, at times and through special arrangement, be interviewed prior to practice, usually between 12 noon and 2 p.m., while brief TV interviews can be conducted on the practice field immediately before practice begins at 4 p.m. if arranged in advance. Brief interviews can also be conducted immediately after practice on the field at approximately 6:30 p.m. Players are available for interviews Monday through Thursday each week, but not on Fridays. All coaches and football staff should also be contacted through the Media Relations Office at (510) 642-5363.

VIDEO FEEDS

Videotape highlights of Cal football are available each week throughout the season via the Pacific-10 Conference satellite feed. For more information, contact the Pac-10 office at (925) 932-4411.

TRAINING CAMP

Beginning the first week of August, training camp will be held on campus. Player interviews can be conducted during training table meals, with prior notice required through the Media Relations Office. TV interviews may also be done on the practice field immediately after morning and afternoon workouts, again requiring advance notice through Media Relations.

DAILY PRACTICES

Cal's practice sessions are conducted in Memorial Stadium and are generally open to the media. Practices begin at approximately 4 p.m. All media in attendance must stay in the stands throughout practice. For media who want to attend practices and/or make arrangements for player interviews after practice, contact the Media Relations Office at (510) 642-5363.

PRACTICE VIDEO/PHOTOS

Only limited portions of Cal's daily football practices (usually parts of the first 20 minutes) may be videotaped or photographed. All camera personnel should be escorted by a member of the media relations office at all times and will not otherwise be permitted on the field.

TELEPHONES

Media outlets wanting to place a telephone line in the Cal press box should contact the Cal Media Relations Office at (510) 642-5363 at least three days in advance of the game. Several telephones will also be available for media use in the media work area of the Travers Club Room.

PRESS BOX SERVICES

The Cal Media Relations Office will furnish game programs, pre-game notes, flip cards and press guides prior to the game. Play-by-play accounts, halftime and game statistics and post-game coaches' quotes will be distributed. A verbal play-by-play account of down and distance will be provided over the press box public address system. Postgame fax services for statistical information will be available to the media following the game. Media requiring this service should contact a member of the Cal Media Relations staff by the end of the third quarter. A

complimentary meal and soft drinks will be served prior to the game through halftime to all members of the media in the press box.

VISITING RADIO PHONE LINES

One MB line and one ISDN line, along with two dry lines in the visitor's locker room, are available for use by visiting radio. The rental charge is \$150.00 (regardless of how many lines are used). Payment is accepted by check only and should be made payable to "UC Regents" and received by the Cal Media Relations Office prior to the day of the game.

PHOTOGRAPHERS

Field photographers must wear a photo armband in plain sight at all times, in addition to the photo credential. The armband can be picked up on the west side of the playing field near Section EE. A new armband is issued for each game. NCAA rules limit shooting to outside the restraining line enclosing the playing field and outside the 25-yard lines (the team area).

PHOTOGRAPHER WORK AREA

A photo work area has been established at field level in tunnel F of Memorial Stadium (west side at approximately the 20-yard-line on the north end of the field). Wireless internet, pre-

game meals, game programs and flip cards are all available in the photo work area.

POSTGAME INTERVIEWS

Cal postgame interviews are conducted in the Travers Club Room, with access on the mezzanine level of Memorial Stadium near Section AA. Following a 10-minute cooling off period, head coach Jeff Tedford will answer questions first, followed by requested players. The visiting team locker room is located at the south end of the stadium, next to stairway 18 (sections J-JJ). Formal visiting team head coach and player interviews will be conducted in the tunnel area below the locker room and will be coordinated through the visiting team SID staff.

POSTGAME MEDIA WORK AREA

Media may work in the press box following games, but are encouraged to use the Travers Club Room (near Section AA) for filing purposes. The Club Room is an enclosed area with desk space and telephones. Final statistics will be available there, as well.

WIRELESS INTERNET

Wireless internet is available on game days in the press box and in the media work room.

TELEVISION/RADIO

THE FLAGSHIP STATION

The University of California and San Francisco's KGO Radio (810 AM) continue to enjoy the longest running broadcast relationship in the Bay Area. Entering its 33rd year as the home of California Golden Bears football, KGO, the 50,000-watt, ABC-owned radio station, serves as the flagship of the California Radio Network. KGO has been carrying California football since the 1974 season.

The University and KGO reached an agreement during the summer of 2005 that will keep the Bears on 810 AM through the 2009 season. The marriage of KGO and Cal football is the longest standing radio association in the Pacific-10 Conference and one of the longest in all of college athletics.

IN THE BOOTH

Joe Starkey, the legendary voice of the Bears, will return for his 32nd season with California in the fall of 2006. He is perhaps best known for his legendary call of "The Play." The infamous five-lateral kick-off return for a touchdown against Stanford in 1982 is part of college football lore with Starkey's emotional "the band is on the field" part of gridiron vernacular.

Joe Starkey

Starkey, also the radio voice of the San Francisco 49ers, has had various NFL and NHL assignments during the course of his career, including a stint with the Minnesota Vikings.

He is joined in the booth by former Cal quarterback Troy Taylor. Taylor, now in his second year on the Cal network, was a California letterman and quarterback from 1986-89. He still holds the school records for career passing yards (8,126) and total offense (8,236), completing 58 percent of his passes with 51 career touchdown passes. Taylor was a member of the Cal coaching staff from 1996-99 while working with the Bears' receivers, tight ends and quarterbacks.

Troy Taylor

On the sidelines for his second season on the Cal network is Todd McKim. A long-time member of the Oregon media and a television anchor

Todd McKim

and sports director in Eugene, McKim was the 2000 Oregon broadcaster of the year, becoming the first person outside of the Portland metro area to win the award. He also serves as host of the California Sports Report television show.

BEFORE AND AFTER

Each broadcast begins with a 30-minute pregame show that leads to the kickoff. The postgame includes reaction from the Bears' locker room and a Fifth Quarter program held remotely from a to-be-determined Berkeley location.

Head coach Jeff Tedford speaks with Cal sideline reporter Todd McKim.

NETWORK AFFILIATES

The Golden Bear Radio network blankets most of the state of California with affiliates from San Diego to Redding, leaving very few corners of the state out of range of network. The lineup of networks include:

KGO	810 AM	San Francisco
KKGO	1260 AM	Los Angeles
KKGO	540 AM	San Diego
KTKZ	1380 AM	Sacramento
KTSP	970 AM	Modesto
KNRO	600 AM	Redding

XM SATELLITE RADIO

California fans can also track the Bears through XM Satellite Radio, a corporate partner of the Pacific-10 Conference.

CAL SPORTS REPORT

The California Sports Report is a weekly television show centered on University of California Athletics. Host Todd McKim takes a look at upcoming events, recaps the previous week's action and introduces California fans to stories and events unique to Cal.

Each new edition of the show will air several times each week throughout the football and basketball seasons and will feature updates on all of California's athletic programs.

COMCAST SPORTS

The University of California, Cal Sports Properties/ISP Sports and Comcast SportsNet are in the second year of an agreement that makes Comcast the local home of California Athletics. Comcast serves as the home of the weekly California Sports Report and at least 11 live competitions each academic year.
